## MESSAGE FROM TEAM OUTLAWED

A message from our benefactor, Mr. Donald Drumpf:

"Sorry to keep you waiting; complicated business; complicated.

To all Arts and Commerce and Science students across this nation, I say it is time for us to come together as happening University students.

So clear your schedules for Outlawed '18 between 9-11th February, 2018, and help us Make College Fests Great Again. I have a lot of friends across colleges, and I have heard that the StarNite lineup this time is going to be HUUUGE; followed by unforgettable DJ Nights.

Part of the beauty of me is that I am very rich. And I have a great economic plan. I will double all the prizes for all the events. We have got the best flagship events, the Great Kolkata Race, the Dance Project, the Veni Quizzi Vici and the Fashionista! An 'extremely credible source' has called my office and told me that Outlawed will have its first Slam Poetry Contest and I'm really, really excited. We'll beat China. We beat China all the time. We'll be the new China of college fests- It's going to be amazing. Believe me.

We will break down walls, and believe us, nobody can break down walls better than us. And we will break them down very, very, very expensively and make the best brands pay for it. Mark our words. I pledge to every college of the nation that NUJS will be host to the hugest party of the year for all participants, so let the fest grab you by the..."
